CradleME services and supports

If you want to receive a call or text to learn more about the services listed below, check any or all boxes:

Public Health Nursing: Provides in person or virtual education, assessment, and breastfeeding support during your pregnancy and after birth to ensure the health of the family and infant, as well as provide coordination of care with community resources, and referrals. Our nurses are Certified Lactation Counselors.

WIC Nutrition Program: A supplemental nutrition program for Women, Infants, and Children offering complete nutrition care, including healthy food benefits, breastfeeding support, and referrals.

Early Intervention for ME: A statewide system of early intervention services for infants and toddlers (birth through age 3) with developmental delays or diagnosed conditions that may lead to future developmental delays, and their families. Free/voluntary.

MaineMOM Services: Pregnancy and postpartum healthcare with substance use recovery services.

You will also receive a call or text from Maine Families Home Visiting Program. All people who are pregnant or families with a newborn can have support from the Maine Families Home Visiting Program. Maine Families Visitors can meet in-person or virtually and help with parenting, supporting your child's development, and the day-to-day challenges of family life.

If you **do not** want a call or text from Maine Families, check this box:
